Step 1: Webinars

As the first step in the certification process, candidates must register for and complete three pre-recorded webinars, each one hour long. These webinars will familiarize candidates with the Virginia Judicial System and must be completed before an interpreter candidate can move on to step two of the program.

- There is no cost to register to view the webinars.
- Registration is open year-round.

To register, **submit this request** and you will receive an email with links to the webinars and a link to a viewing assertion form.

- View the webinars.
- Submit the viewing assertion form.

Once the assertion form is received, you will receive an e-mail with instructions on how to register and complete step two of the certification process.
